

Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning business. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than 60 years combined experience with successfully manufacturing, designing, developing, marketing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are devoted to providing top quality and new design concepts to be able to meet the diverse needs of their customers.

TREK Cleaning Machines continually provides fresh design concepts as proven in their product development. They like offering items which energize both their dealers and their partners and offer production gains to their clients.

The TREK team of staff enjoys new challenges and new tasks. They are really proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' requirements and skills along with their understanding of cleaning applications, along with owners' strong desire to significantly reduce cost through productivity gains.

The workers at TREK and their dealer-partners are strongly dedicated to having both parts and technical support available when it is required. Their high service dedication is among the core values in their customer service. Keeping their customers' cleaning equipment ready and functioning day after day is top priority. The company's top of the line technology delivers reliable equipment which ultimately lowers your cleaning expense. The price, the service and the product all work together to make them the leader in the business.
