

## Ingersoll Rand Forklift Part

Ingersoll Rand Forklift Parts - Offering solutions, services and products to increase the productivity and to ensure efficiency within industrial, commercial and residential surroundings, Ingersoll Rand is very proud provider of products which help improve the comfort, security, health and safety of individuals all over the world.

The Climate Solutions division delivers a world-class product line of energy efficient HVACR solutions for clients. Thermo King is the leader in transport temperature control, while Hussmann is a manufacturer of food merchandising and refrigeration solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, contracting and building advanced controls, services and parts support used for both commercial buildings and residential homes.

Ingersoll Rand's Industrial Technologies sector offers solutions and products that enhance their customers' productivity, operations and energy efficiency. The product range is diverse ranging from tools and pumps, material and fluid handling systems to complete compressed air systems. They have even developed Club Car, the international leader in utility and golf vehicles intended for individuals and companies.

Recognized trade names like Trane and Schlage compromise the Residential Solutions business, providing safety, efficiency and comfort to home owners all across North America. Some of their innovative quality products comprise mechanical and electronic locks, indoor air quality solutions, heating and air conditioning systems, remote home management, portable security systems and advanced controls.

Ingersoll Rand' Security technologies provide products that ensure safe, productive and secure environments. This division's market leading products consist of door and floor closers, portable security devices, exit devices, biometric and electronic cabinet hardware, access control systems, steel locks, doors and frames, locksets and decorative hardware. Schlage even has products that provide personal, time and attendance scheduling systems.
